

HUMAN FACTORS & HEALTHCARE INNOVATION IN SINGAPORE AND TAIWAN

MAY 10-24, 2026

**Earn three credits for
IE 49000**

- Estimated cost is: \$4,500-\$4,700.
- Check this QR code for a preliminary itinerary, more information, and application.

Two weeks. Two countries. Endless impact.

- Tour state-of-the-art labs at NTUST
- Co-create in a Human-Centered Design workshop with Taiwanese students
- Step into the future of healthcare at Advantech Smart Hospital & KK Women's and Children's Hospital
- Explore Jiufen village & launch lanterns in Pingxi
- Celebrate with a farewell dinner in Singapore

*Tentative schedule, subject to change

"It was the best decision I made at Purdue. I learned more in two weeks abroad than in an entire semester at home — and made lifelong friends." — Purdue Engineering Student, Austria 2024

Learn. Travel. Connect. — all in one unforgettable experience.

**Open to all majors across campus
and all levels!**
